**II. NOTICE OF DEFERRAL OF SPECIFIC FEE APPLICATIONS FOR CONSIDERATION AT THE DECEMBER 14, 2022, OMNIBUS HEARING OR A LATER DATE**

TO: HON. LAURA TAYLOR SWAIN,  
UNITED STATES DISTRICT JUDGE

**INTRODUCTION**

Since the Fee Examiner’s report in September [Dkt. No. 22210]—which included an updated preferred schedule for completing the final Title III fee review process in the Commonwealth, ERS, PBA, and HTA proceedings—this Court, on October 12, 2022, entered the *Order and Judgment Confirming Modified Fifth Amended Title III Plan of Adjustment of the Puerto Rico Highways and Transportation Authority* [Dkt. No. 22581] (the “**HTA Plan Confirmation Order**”). The proposed fee review timeline remains subject to revision based on the confirmed HTA Plan’s effective date and to two important caveats:

1. Professionals that have not completed the PRRADA disclosure process may not file interim *or* final fee applications until the U.S. Trustee has determined their compliance with PRRADA.
2. Whether professionals have completed the PRRADA disclosure process or not, pursuant to section 5(b) of the Third Amended Compensation Order, “no Professional shall file a Final Fee Application until the Fee Examiner has recommended and the Court has ordered compensation on all of that Professional’s Interim Fee Applications.”<sup>2</sup>

---

<sup>2</sup> Exhibit D identifies seven Final Fee Applications recommended for deferral. Only professionals that have *both* completed the PRRADA disclosure process *and* completed the interim compensation process should file final  
*footnote continued on next page...*

With most—though not all—PRRADA disclosure issues resolved,<sup>3</sup> the Fee Examiner and counsel have continued to review the interim fee applications of PRRADA-compliant professionals for fee periods through and including the **Fifteenth Interim Fee Period** (February 1-May 31, 2022). A significant subset of those applications as adjusted is recommended for Court approval with this report, and the Fee Examiner anticipates recommending another set in connection with the December 14, 2022 omnibus hearing.

On July 31, 2022, the Oversight Board filed its 2022 annual report, “project[ing]” a total of \$1.6 billion in Title III professional fees from FY 2018 through FY 2026. That estimate was based on \$1.2 billion in requested professional fees and expenses through July 20, 2022. The number of professionals seeking or that may seek compensation under Title III now stands at 41 legal, accounting, and advisory firms.

## **FIFTEENTH INTERIM (AND PRIOR) FEE PERIOD APPLICATIONS**

With this report, the Fee Examiner:

--Recommends Court approval of the interim fee applications detailed on **Exhibit A**; and

--Notifies the Court, consistent with paragraphs 2.h and 2.k of the Third Amended Compensation Order, that the Fee Examiner and the applicants listed on **Exhibit B** and **Exhibit C** are in productive discussions and—to continue their dialogue—have agreed to

---

applications. The Fee Examiner will continue to recommend the deferral of final applications for several reasons, including to facilitate the completion of these prerequisites.

<sup>3</sup> On August 15, 2022, the U.S. Trustee filed *The United States Trustee’s Comment and Related Status Report on the Verified Statements of Connections filed by Professionals Under the Puerto Rico Recovery Accuracy in Disclosures Act* [Dkt. No. 21840] (the “**U.S. Trustee PRRADA Status Report**”). In that report, the U.S. Trustee identified 21 professionals that had not yet completed the PRRADA disclosure process, stating that she 1) was awaiting supplemental disclosures from nine professionals; 2) had not yet received initial disclosures from twelve professionals; and 3) would file an updated Comment and Status report with the Court for those professionals as necessary. The U.S. Trustee recently confirmed that its review is complete for all but three professionals.

adjourn consideration of these fee applications to the December 14, 2022, omnibus hearing, or another date convenient for the Court.<sup>4</sup>

--Notifies the Court, consistent with paragraph 5.b of the Third Amended Compensation Order, that the final fee applications listed on **Exhibit D** will be adjourned until the applicants have substantially completed both the PRRADA disclosure process and the interim fee process.

### **RELIEF REQUESTED**

Once again in the continued absence of any objection, the Fee Examiner recommends that the Court approve, under PROMESA sections 316 and 317, the 44 applications listed on **Exhibit A** and permit the deferral of the applications listed on **Exhibits B, C and D** to the omnibus hearing scheduled for December 14, 2022, or a later date. Attached to this report as **Attachment 1** is a proposed order consistent with the recommendations above, should the Court wish to enter it in advance of the upcoming omnibus hearing.

Dated: October 26, 2022.

**WE HEREBY CERTIFY** that on this date, we electronically filed the foregoing report with the Clerk of the Court using the CM/ECF system that will send notification of such filing to all attorneys of record registered in the use of the CM/ECF system.

<sup>4</sup> The U.S. Trustee PRRADA Status Report, at page 5, identified professionals with pending interim fee applications that, at that point, had not completed the PRRADA disclosure process. The U.S. Trustee recently confirmed that its review is complete for almost all professionals. The pending applications deferred until completion of the PRRADA disclosure process are identified with purple highlighting on Exhibit B.
